

**BUKRE CREEK HIGHWAY 50 CROSSING AND REALIGNMENT PROJECT – PHASE 1  
STATELINE, NEVADA**

Nevada Tahoe Conservation District  
400 Dorla Ct., PO Box 915  
Zephyr Cove, Nevada 89448  
(775) 586-1610

---

The following modifications are hereby made to the Bidding and Contract documents for the above referenced project:

**CHANGES TO THE BID DOCUMENTS**

**ITEM 1:** All pavement striping in the US Highway 50 right-of-way shall be epoxy paint.

**ITEM 2:** The electrical relocation is called out for a vault that is 1.5 feet wide by 2.5 feet long in the road shoulder as shown on Sheet C-8 due to a conflict with the proposed 15” reinforced concrete pipe (RCP). Because underground information is limited, coordination with the utility purveyor and field fit design is expected. It may be possible to avoid the vault conflict and protect the existing vault in place. The Contractor shall coordinate with the Engineer and utility purveyor on work in this area prior to commencement.

**CLARIFICATION ITEMS**

**CLARIFICATION ITEM 1:** A signed copy of Addendum 2 shall be attached to and submitted with the bid proposal.

**END OF ADDENDUM**
